The way to cure it is to build up the blood and enable the various organs to perform

their functions.

Mr. John F. Williams, of 911 Lincoln St., Anderson, Ind., who is in the boot and shoe business, says: "In 1897 I was taken sick with typhoid fever, which left me completely run down. I went back to work before I entirely recovered my strength and the close confinement of the store was too much for my weak."

ened body. I did not give up as I should have done, but kept at my work, although I suffered a great deal from sick headaches and pains in the back. The sick headaches came on me about every ten or twelve days and the doctors said they were caused from my eyes. My stomach was weak, appetite poor and complexion sallow. I had night sweats, which so weakened me, that I had little interest in my work.
